

Global Conference Extension

Be Everywhere without Going Anywhere.

ninetwofour acts as your on-the-ground proxy at global gatherings, capturing high-fidelity content, fostering warm leads, and navigating exclusive rooms with 15 years of community building expertise. Maintain productivity while expanding your global footprint.

Financial Optimization

Reduce significant costs associated with team travel and registration. We leverage preferential access and deep relationships, offering a lean, high-impact proxy at key events.

Strategic Bandwidth

Save your team valuable time. We act as your eyes and ears on the ground, utilizing our global network and cultural understanding to ensure fluid, native brand presence.

Operational Efficiency

Maximize impact without disrupting your team's operations. We transform passive attendance into active asset generation, delivering content and generating warm leads.

☐ Achieve **significant cost avoidance** compared to deploying a full internal team, coupled with invaluable time savings and maximized strategic impact.
